President's Message

I wish we were on the verge of throwing a giant gala like we were this month last year. How much fun was that? I'm grateful that COVID-19 wasn't COVID-18 and at least we got to celebrate the 100 years of Sutter Lawn in style! SLTC has persisted for 100 years. We will come out of this and 2021 will have 2020 solidly in the rear-view mirror, where most of us think it belongs.

At the last board meeting, an ADA consultant presented his findings from his analysis of the club's facilities. It's extensive – so extensive that we are still working our way through the document. But we have started and that's a step in the right direction. We will be spending a couple months analyzing the findings and then will put together a multi-year plan to start addressing these issues.

Thank you for your adherence to the mask policy. While no one wants to wear one, it's the right thing to do. I also appreciate the smoothness of the pool and gym signups. It's not perfect, but it allows us to keep both open. Please follow the rules. It cuts down on emails that land in my inbox. Haha. We intend to keep the pool open through October at least. :)

We have discussed as a Board, some options for a Holiday Party. It's a stretch with the current health guidelines. We will continue to monitor the situation and see if it's possible. Stay tuned.

That's it from me. Stay safe and sanitized. Be kind. See you soon.
