Dear Friend,

The Sutter Lawn Tsunamis will dive back into the pool soon! We are looking forward to a full team with at least 140 swimmers and a season filled with success.

This year, we have some fun, new opportunities to support the team and we hope you can help us. Attached, you will find a menu of options ranging from \$250 to \$1,600. Some items are limited so please let us know as soon as possible if you want to join us.

The Tsunamis are a family-friendly, neighborhood oriented recreation swim team committed to providing a positive, fun, and cooperative experience for swimmers while enhancing their swimming skills. The goal of the team is to provide every member an opportunity to improve skills and achieve success at his or her level of ability.

Please feel free to contact us if you have any questions. On behalf of the Tsunamis, thank you for your consideration.

Sincerely,

Caitlin Beckett
